

The Cape Fear Chapter of the North Carolina Association of CPAs cordially invites you to share in an evening to celebrate the members of our professional community.

Thursday, February 2, 2012 • 6:00–8:00 pm
Front Street Brewery/Beam Room • Wilmington, NC

As professionals serving the Greater Cape Fear Area, we understand our economic future does not begin or end in Washington or Raleigh. Our future relies upon the continued care and consultation available to citizens up and down our coastal region and beyond. From attorneys and bankers to doctors in the operating room, we provide the tools necessary for building a strong and dependable environment. Please join us for this special evening as we thank you for your service.
