

North Carolina Association of Certified Public Accountants

Outstanding Member in Business & Industry

NCACPA established the Outstanding Member in Business & Industry Award to recognize a member for outstanding achievement in this area and to promote the CPA designation as the premier professional credential in financial management. The member selected will be recognized during the NCACPA Annual Business Meeting and at the Members in Business & Industry Fall Conference. The member will also be NCACPA's nominee for the AICPA's Outstanding CPA in Business and Industry Award competition.

To be eligible for the Outstanding Member in Business & Industry Award, the nominee must be:

- A member of NCACPA employed in business or industry.
- Distinguished by having made a significant contribution to the growth and success of his/her employer organization or a notable entrepreneurial achievement.
- Distinguished by having made a significant contribution to the growth and enhancement of the profession.
- Nominated through a formal process by NCACPA.
- Currently not serving as an officer of NCACPA or as a member of the NCACPA Board of Directors.
