**CELEBRATING THE PAST
LOOKING TOWARD THE FUTURE**

The 2019 Fraud and A&A Conference offers attendees with overlapping interests a selection of intermediate and advanced-level topics. New this year, the speaker lineup includes information on a type of embezzlement known as pink collar crime that some consider one of the fastest growing crime waves in America. Attend general sessions to learn more about this scheme and what you can do to lessen your risk of falling victim.

In addition to fraud risk, select sessions will take a more in-depth look at changes to risk assessment, revenue recognition, leases, and more.

Register today to receive national quality, held locally.

Visit www.ncacpa.org/cpe/conferences for registration and program details.
