

Technical support will be provided by a UiPath representative prior to and LIVE during the conference.

Prior to call: Michaela Rosenmayer (email) michaela.rosenmayer@uipath.com. Michaela will be logged in to the speaker panel and will reply to the Q&A live with any questions.

These are the steps to access the UiPath demo:

1. Go to this website:

<https://www.uipath.com/rpa/academic-alliance/academic-studio-download>

The screenshot shows a web browser window with the address bar displaying `uipath.com/rpa/academic-alliance/academic-studio-download`. The page features the UiPath logo and navigation links (Platform, Solutions, Resources, About) at the top. A search bar, contact link, sign-in button, and a red 'Try UiPath Free' button are also present. The main content area is divided into two sections. The left section, titled 'Download UiPath Studio for students and educators', contains a registration form with fields for First Name, Last Name, Email, and role selection (Student / Learner or Educator / Trainer). It also includes dropdown menus for Country/Region and Your institution / organization name, followed by text inputs for Institution/Organization Name and Field of study / work. Date pickers for RPA Course start and end are provided. At the bottom of the form are two checkboxes for communication preferences and a license agreement, and a red 'Request now' button. The right section, titled 'Download instructions', provides information about the free UiPath Studio—Academic Alliance Edition, including support resources and a list of three bullet points: 1. Your organization has agreed to licensing terms as part of the partnership agreement. 2. This software does not come with phone or email support. 3. Can't find your organization in the drop down? Please fill in this form and our team will get back to you.
